SUBJECT: Revised Libyan MAP Program for FY 1960, 1961, and 1962.

Attached is a table prepared by MAAG/Libya dated October 17, 1959, of major items of military equipment programmed for Libya for the fiscal years 1960, 1961, and 1962. This supercedes the list sent under cover of Embassy despatch 301 of May 8, 1959.

The changes in numbers of each item of equipment, if any, are indicated in parentheses. These changes for the most part were designed to accomodate some variation in the projected Table of Organization of the Libyan Army.

For the Ambassador:

J. Paul Barringer
Counselor of Embassy
